

SUBMISSION OF EQUALS

PROJECT ID NO. _____

PROJECT NAME: _____

The Bidder proposes to use the material, apparatus, or equipment described below, as "an equal" to such items as specified. In accordance with the provisions of California Public Contract Code 3400 (b) and Section 4-6 of the Project Specifications, the first, second, and third apparent low Bidder will have two (2) Working Days after the date of the Bid opening to submit their list of equals and ten (10) Working Days after the date of the Bid opening to submit all substantiating data and test results. In accordance with 4-6, the Agency, in its sole discretion, shall determine whether the substantiating data demonstrates that "an equal" submittal(s) is equal in all respects to the item specified in the Contract Documents. If the Agency determines that "an equal" submittal(s) has not been substantiated to be equal in all respects, the item specified in the Contract Documents shall be furnished and/or installed by the Bidder without modification of the Bid amount or Contract Documents. If the Agency finds that "an equal" submittal(s) is equivalent to the respective item(s) specified in the Contract Documents, then the Bidder may furnish such item(s), together with all necessary labor, materials, equipment, and incidentals required to perform and complete the Work.
